

A C E N D I O

THE ASSOCIATION FOR COMMON EUROPEAN NURSING DIAGNOSES, INTERVENTIONS AND OUTCOMES

Vice President's report

Activities

- ACENDIO Online-Conference Groningen: Participation in review board for abstracts, chair of two sessions, participation in the general assembly, presentation of the poster prize.
- Preparation of and participation in board meetings with special focus on being able to chair in case of absence of the President
- Preparation of the workshop in St. Pölten →

Cooperation with the President (creating the program, budgeting, and adaptations), chairing and working with the local organizing committee (LOC). This included obtaining and negotiating offers and contracts for the premises on catering and hotel services, exploring the technical and financial options for the online, hybrid and face-to-face event variants; and promoting the event via several media channels as well as personally via mails

- Member of ACENDIO eHealth Workgroup 2 "Teaching SNLs and eHealth in education": Facilitating participation and education incl. patient education (interviews conducted, results collated, meetings with the Workgroup), recruiting further ACENDIO members to participate in the Workgroup
- Meeting with Board members to work on the Legal Acts (WBTR) Project + ACENDIO statute
- Create a study tour for an ACENDIO member and PhD student from Romania. Contacting the representatives of all relevant institutions in the health sector in Austria and Switzerland for this study tour.

Respectfully submitted, Feb 4, 2022

Claudia Leoni-Scheiber

ACENDIO Vice President
