THE ASSOCIATION FOR COMMON EUROPEAN NURSING DIAGNOSES, INTERVENTIONS AND OUTCOMES

Annual report of ACENDIO Working Group 1 For the General Assembly, April 21st, 2022, Workshop

Administration

ACENDIO Working Group 1 Supporting + advancing practice and eHealth (Posit. statements 1+2) have had online meetings preparing a survey about Systematized Nursing Terminology in different ACENDIO countries. Working Group's chair is Mikko Härkönen and other members of this WG is Bente Christensen (Norway), Fabiana Dos Santos (Brazil) and Fabio D'Angelo (Italy). The scope of the survey have been presented and discussed in the board meetings.

ACENDIO Working Group

The product of this working group is a 'Practical Implementation Guide' on what, how and why to implement SNLs into practice. Working Group has read articles about SNT and discussed about the survey and its structure. Working Group have had six online-meetings 2021 and actual survey was launched in 2022.

Working Group has shared articles in MS Teams-portal and The working group has familiarised itself with the subject matter by reading scientific literature and articles in the field.

Working Group decided to have an electronic survey that is easy to answer and results can analyze more efficient way.

Comments / Recommendations for the next Association Year

I recommend continuing with the ongoing ACENDIO activities in Working groups and all future activities that can promote collaboration in ACENDIO and between ACENDIO and other institutions/associations. Working group aims to publish Practical Implementation Guideline at the next ACENDIO Conference in 2023.

Thank you members of the WG1, all ACENDIO members and specifically to the President Maria Müller-Staub and all Board Members for the support and great collaboration.
