

A C E N D I O

THE ASSOCIATION FOR COMMON EUROPEAN NURSING DIAGNOSES, INTERVENTIONS AND OUTCOMES

Vice President's report – Year 2022

By way of introduction, I would like to thank all ACENDIO members who make it possible to make an important contribution to the further development of SNLs in the context of eHealth, education and implementation. I would like to thank our President Prof. Dr. Maria Müller Staub, Secretary Dr. Fabio D'Agostino, Treasurer Helen de Graaf-Waar and all members of the Board of Directors for their trust and cooperation. Thanks also to Petra Ganaus, Director Healthcare and Nursing (BA) at the University of Applied Sciences St. Pölten, Austria and her deputy Manuel Schwanda, who hosted the ACENDIO workshop in St. Pölten.

Activities

- Preparation, implementation, and follow-up of the ACENDIO workshop in St. Pölten, which was postponed due to the pandemic.

Collaboration with the President and the Board (preparation of the program, budgeting and adjustments), chair of the local organizing committee (LOC), obtaining and negotiating offers, contracts for the premises, catering and hotel, exploring and implementing the technical and financial possibilities of the hybrid event; promotion of the event via the media as well as personally via mails.

- Collaboration in working group 2, especially preparation for the workshop in St. Pölten and further processing of the pedagogical tools.
- Continuation of work on the legal acts project (WBTR) + ACENDIO statute with additional board members.
- Collaboration in the preparation of the 14th ACENDIO conference in Rome (e.g., review of abstracts).
- To participate in the ESNO General Assembly, with the aim of providing information for a vote at our General Assembly on an institutional membership of ACENDIO in ESNO.
- Preparation of and participation in board meetings.

Respectfully submitted, Jan 13, 2023

Claudia Leoni-Scheiber

Vice President
