## Chair of the Research Committee Report – Year 2022

For the General Assembly Mar 17, 2023, Rome

**Research committee:** Sergio Barrientos-Trigo, Fabio D'Agostino, Claudia Leoni-Scheiber, Maria Müller-Staub, Valentina Zeffiro (chair)

**Introduction.** Since the last meeting, a new call for grant has been prepared with a deadline of February 12, 2023.

### What has been done for the grant.

- as established at the last meeting, the 5 files relating to the call for grant were updated and uploaded to the Dropbox, in particular the files:
  - **1 ACENDIO grant application and criteria:** in this file the following information were added to clarify the disbursement of the payment: *“The payment will be made to the first author on his/her private bank account, and it will be his/her responsibility to distribute the fee to the other authors according to their accounts. The contribution will be paid in euros, and the exchange rates will have to be deducted from the grant.”*
  - **3 Final Evaluation criteria for grant applications:** in this file the first two items have been deleted because they are among the requirements to apply to the grant, i.e. All submitters are members of ACENDIO and there are 3 countries included. Moreover, the following new item has been added: *“Probability is given that this project by will be completed two years after submission.”* Scores have been updated accordingly.The changes were approved by the board via email on November 25, 2022.
- On 29 November 2022 the new call for grant was published on the ACENDIO website.

### What has been done for the conference.

- An EasyChair account has been created to receive abstracts for the conference.
- The abstracts received were sent for evaluation, via EasyChair, to board members or ACENDIO members.
- Acceptance of the abstract as an oral or poster presentation was sent via EasyChair to the corresponding authors.
- A reminder to authors was sent via EasyChair to all authors who had not yet registered for the conference.
