Report ACENDIO Working Group 1

2024-01-11

Chair: Mikko Härkönen

Members: Fabio D'Agostino, Bente Christensen, Kim de Groot, Renate Nantschew, Friso Raemaekers, Fabiana Cristina Dos Santos

Position statement: Supporting and advancing nursing practice through eHealth and supporting and advancing eHealth.

The **product** of this working group is to create 'Practical Implementation Principles' on what, how and why to implement SNL's into practice'

During the biennium 2021-2023 the working group continued work on the tasks of supporting and advancing nursing practice through eHealth.

MH reports that the eHealth working group had presented the results of the work done in Working Group 1 in Rome conference 2023. Working Group 1 continued monthly meetings after Rome conference and prepared a ACENDIO paper. During the meetings members of the Working Group discussed also about SNL and interoperability and how ACENDIO could support this issue.
