

Report from the Research Committee

The ACENDIO Research Committee is led by new Board Member Karen Dunn Lopez. Since the last General Assembly, the Research Committee has focused on two activities: updating and releasing information for the ACENDIO Grant and forming the Research Committee. In addition to Karen Dunn Lopez, the Research Committee includes Valentina Zeffiro, Gianfranco Sanson, Camilla Takao-Lopez. There were no applicants for the ACENDIO grant this cycle. The prior Grant was awarded in 2022 to a team led by Natany Oberfrank (United States), Gianfranco Sanson (Italy) and Camilla Takao-Lopez (Brazil) The team will present their findings at the 2025 ACENDIO Conference.
